For this to be a success and to glorify God, I need you. You, our singers, our choir members, our soloists, our psalmists, let this March be our honor to Praise the Lord through song in worship and praise. Our time is limited, so I want to reach out to you now. Email or message me in Facebook by January 26th with the specifics below, dmoffei1@gmail.com. I'll respond to you with a list of selections, videos, and lyrics in preparation for our NER conference in March. We will have specific times frames during the conference to rehearse. Meanwhile, let's pray and agree about God's will be done during this conference.
